IN RE: Application of QCC, Incorporated (f/k/a Quest)	ORDER CANCELLING
Communications Corporation) for a Certificate)	CERTIFICATE AND
of Public Convenience and Necessity to)	CLOSING DOCKET
Operate as a Reseller of Interexchange)	
Telecommunications Services within the State)	
of South Carolina.)	

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of QCC, Incorporated f/k/a Quest Communications Corporation ("QCC" or the "Company") to cancel its Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services within the State of South Carolina.

By letter dated November 11, 2002, QCC advised the Commission that the Company was requesting cancellation of its Certificate to operate as a reseller of interexchange telecommunications services within the State of South Carolina. Additionally, QCC requests that any tariffs of the Company be cancelled and the Company's docket be closed.

QCC's authority to provide resold interexchange telecommunications services was granted, although in the name of Quest Communications Corporation ("Quest"), by Order No. 92-193, dated March 13, 1992. Thereafter, by letter dated June 26, 1996, the regulatory manager for QCC informed the Commission that Quest Communications

Corporation had changed its name to QCC, Incorporated in 1995 or 1996. Also, by this letter, QCC informed the Commission of changes in the Company's corporate officers and provided an updated list of QCC's corporate officers and addresses.

As reasoning for its request for cancellation, QCC states that the Company is withdrawing from doing business in the State of South Carolina. According to QCC, the Company's withdrawal from operations in South Carolina was effective September 30, 2002.

As QCC, by its own acknowledgment, is not providing the services for which its Certificate was granted, the Commission finds and concludes that QCC's Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services within the State of South Carolina should be cancelled, and any tariffs of the Company should be cancelled.

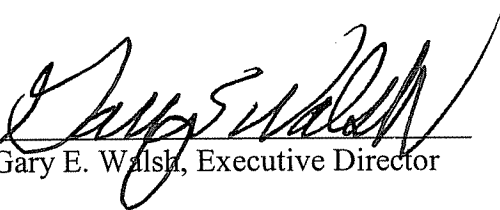

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services authorized by Order No. 92-193, dated March 13, 1992, issued in the instant docket to QCC, Incorporated (f/k/a Quest Communications Corporation) is hereby cancelled.

2. The tariffs of QCC, Incorporated are hereby cancelled, and the Docket is closed.

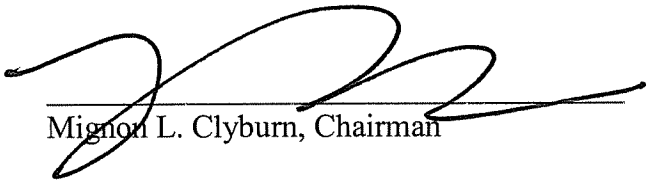

3. This Order shall remain in full force and effect until further Order of the Commission.
